

EASY TURTLE CAKE

1 Chocolate Cake Mix

Add 3 eggs, ½ cup of oil and 1 ¼ cup of water. Mix in the Bosch on speed 1 for 1 min. Pour half of the mixture into a second bowl.

To the first bowl cake mixture (Bosch) add 1 cup of melted butter a ½ can sweetened Condensed Milk. Mix and pour into a 9"x13" sprayed pan and bake at 350 degrees F. for 20 min. until it is done. (tooth pick comes out clean)

In a new glass bowl, add 2 packages of carmel bits, 1 cup of butter , and the other half of the can of sweetened condensed milk and put into a microwave to melt. Add ¼ cup of chopped pecans and mix together.

Pour carmel mixture over the baked first cake. Add the batter from the second half of the cake mix and bake again for 15 min. until top layer is baked completely.

Add chocolate bars or 1 bag of chocolate chips to the warm cake and spread over the surface once it has melted.
