

Fresh Strawberry Lemonade

- 8 large strawberries, halved
- 2 Tbsp. of white sugar
- 7 cups of water. divided
- 1 cup white sugar
- 2 cups freshly squeezed lemon juice

Directions:

1. Place strawberries in a blender; top with 2 tablespoons sugar. Pour 1 cup water over sugared strawberries. Blend until strawberry chunks transform into juice.
2. Juice your lemons with the citrus attachment until you have 2 cups of juice
3. Combine strawberry juice, 6 cups water, 1 cup sugar, and lemon juice in a large pitcher; stir until blended. Chill before serving.
